

## YMCA Online Registration

In order to register online, you need to already have an account in our database (with a current email address) and it must match the information you put in to set up your online account. If you are a current member, former member or have participated in a previous program with the Y you should have an account. If you do not believe you have an account with the Y or want to verify the information we have in our database, you will need to call the Y (475-6125).

### Setting Up Your Online Account:

4. You should now see "I want to set up online access for my account". Click on "Find Account".
6. You will need to enter the child's last name, birth date, and zip code to search for your account.
7. If it finds an account you will have to verify it by the billing method associated with the account or the email address associated with the account.
