**WATER FITNESS:**

**Deep Water Fitness:** Our most intense water exercise class that includes full body movements such as walking, jogging, and running. Try this class for the ultimate water exercise challenge!

**Water Fitness for Health:** Uses a combination of cardiovascular and strength training exercises to provide a fun and invigorating workout. Upper and lower body strengthening exercises complete this total body workout. The evening class may use the deep end of the pool at times.

**No Impact:** This incorporates water walking and exercises that concentrate on joint movements, range of motion, flexibility, balance, and endurance. Great class for beginners!

**Splash:** Offers LOTS of fun and shallow water moves to improve agility, flexibility, and cardiovascular endurance. No swimming ability is required.
