WATER FITNESS:

Deep Water Fitness: Our most intense water exercise class that includes full body movements such as walking, jogging, and running. Try this class for the ultimate water exercise challenge! Max 25 participants in class.

Water Fitness for Health: Uses a combination of cardiovascular and strength training exercises to provide a fun and invigorating workout. Upper and lower body strengthening exercises complete this total body workout. Takes place in the shallow end. Water Fitness for Health II offers modifications for exercises for those use to a No Impact class. Max 25 participants in class

Splash: Offers LOTS of fun and shallow water moves to improve agility, flexibility, and cardiovascular endurance. No swimming ability is required. Max 25 participants in class.

AquaFit: A moderate intensity water aerobics exercise which combines stretching, cardio and strength building without the impact of land based aerobics. Max 25 participants in class.
